

Can Tho, August 18th, 2026

CALL FOR PAPERS
THE 3rd INTERNATIONAL STUDENT CONFERENCE ON ECONOMICS
Theme: “*Digital Economy and Sustainable Finance*”

Dear Authors,

Aiming to establish a high-quality international academic forum, foster innovation, and translate knowledge into practical solutions, School of Economics - Can Tho University, is pleased to host The 3rd International Student Conference on Economics (ISCE 2026). Centered on the digital era and sustainable development, ISCE 2026 serves as a platform for young researchers to present innovative ideas and deliberate on restructuring the modern economic and governance landscape. Participating in the conference offers authors the opportunity to: (i) Scientific Publication: Publish research papers in the official Conference Proceedings indexed with an ISBN; (ii) Network Expansion: Engage with an international network of scholars, experts, and peers; (iii) Future Shaping: Enhance research capabilities and advance future career trajectories. The Organizing Committee cordially invites authors to submit their papers and contribute to the success of the conference.

1. Conference details

- Full Paper Submission Deadline: **by October 7th, 2026;**
- Notification of Acceptance: **by November 1st, 2026;**
- Registration Deadline: **by November 17th, 2026;**
- Conference Date: **November 27th, 2026;**
- Venue: School of Economics, Can Tho University (Campus 2, 3/2 Street, Ninh Kieu Ward, Can Tho City, Vietnam);
- Format: In-person and online.

2. Target participants

- Students from Can Tho University's units (School of Economics, Faculty of Industrial Management (College of Engineering), Hau Giang Campus, Faculty of Political Science, Social Sciences, and Humanities).
- Economics and business students from domestic and international universities.

3. Conference themes (Research fields)

The conference comprises one plenary session and four parallel thematic sessions convened by four specialized departments (International Business; Business Administration; Finance and Banking; Tourism Services and Travel Management), focusing on the following fields (but not limited to):

- Digital Business and Economy, E-Commerce, and Customer Experience;
- Entrepreneurship and Business Investment, Corporate Governance;
- Cross-cultural Management and Business Ethics;
- Corporate Social Responsibility (CSR) and Environmental, Social, and Governance (ESG);
- Ecological Economics, Circular Economy, and Sustainable Development;
- Global Trade, Supply Chain Management, and Logistics;
- Human Resource Management and Motivating the Gen Z Workforce;
- Tourism Service Quality Management;
- Innovation in Commerce and Service Sectors;
- Behavioral Finance, Corporate Finance;
- Accounting, Auditing, and Banking;
